OBJECTIVE:

Make a significant contribution in developing, deploying, and administering Microsoft SQL Server database and business intelligence solutions.

SIGNIFICANT WORK EXPERIENCE:

Senior Technical Instructor, New Horizons Computer Learning Centers, April 1997 to present.

- ✦ Primarily taught Microsoft (and in previous years, Novell) certified curricula to current and aspiring network administrators, network engineers, database administrators, database and business intelligence developers.
- ✦ Obtained new certifications and was involved with internal network support.
- ✦ Increasingly developing skills with Microsoft SQL Server, in particular with the three areas of business intelligence: Integration Services, Reporting Services, and Analysis Services.

Senior Consultant, Holland Systems Corporation, Lansing, MI, June 1996 to April 1997.

- ✦ Primary activity involved determining requirements, providing alternatives and recommendations, and designing a NetWare network for a thirteen site municipality.
- ✦ Created two training manuals.

Instructor, New Horizons, Livonia, MI, Aug. 1992 to June 1996.

- ✦ For two years taught popular DOS-based, Windows, and Macintosh software packages across several application categories such as MS Project, Word, Excel, Quark XPress, Photoshop and Illustrator, among others.
- ✦ Prepared and taught over 45 different course titles in two years.
- ✦ Created supplemental workshop materials.
- ✦ For the other two years taught Novell NetWare courses from versions 3.12 through 5.1.

OTHER SKILLS:

- ✦ Excellent oral and written communication skills.
- ✦ Proficiency (from basic to excellent) with most MSOffice applications, including Microsoft Project and Visio.
- ✦ Very proficient typist.

CONSULTING and OUTSIDE WORK:

- ✦ Established and currently administer a multi-server domain environment for my church.
- ✦ Successfully performed and completed a domain and Exchange migration from NT 4.0 and Exchange 5.5 to Windows Server 2003 and Exchange 2003 for a mental health organization in northern Michigan.
- ✦ Performed another mail migration from Exchange 5.5 to Exchange 2003 for a company in Bay City.
- ✦ Create annual homeowners directory publication for several years.
- ✦ Created and maintained several websites.
